

Senior Parents:

A significant goal of the yearbook staff each year is to give great coverage to our senior class. In keeping with that, we have several things we need from you and deadlines that you need to know.

Senior Casual Pictures – Deadline September 30, 2016

If your student didn't have casual pictures made by BPI, you will need to arrange to have some made in the near future. These should be current photos made during the senior year. While many families opt to have professional photos made of their students, we can use high quality/resolution photos made by a friend or family member. **We need a minimum of two poses, preferably in two different outfits.** These may be submitted through email at yearbook@flintriveracademy.com, or you may send a disk or flash drive. Please note that any students who do not turn their casual photos in by September 30 will be expected to have BPI take pictures when we have senior class/superlative pictures made on October 19. A \$25 sitting fee will apply.

Senior Dedication Page – two deadlines:

Written commitment (see below) for a page are due **Friday, September 16, 2016**.
Page design/creation and payment are due **Thursday, December 15, 2016**. *Please note that if pages are not designed, completed and paid for by the deadline, a late charge will apply.*

Seniors may purchase a dedication page in the yearbook. The cost is \$225 for the page, and payment is made directly to Jostens online. No money is due at this time. These pages are designed and created online by you, making it easier and more convenient to use your favorite pictures and create a page you love. We need to know if you wish to purchase a dedication page for your son/daughter no later than September 16, 2016, as we must commit to the layout of our book. Please fill out the bottom of this page and turn it in to Mrs. Sears.

The yearbook staff will email page design and payment instructions to you within the next couple of weeks, and we will also offer an evening workshop session for those who need assistance. Payment is made online when you finish creating your page. If you wish to use older pictures that aren't digital, please make plans to scan them and put them on a CD or flash drive.

Senior Quotes/Wills – Deadline Friday, October 28, 2016

Senior quotes should be submitted to Kinsey Evans or Shaina Lemke. Your son/daughter should choose a quote that is meaningful and inspirational to them. Quotes will be reviewed for appropriateness. Seniors may submit a will of no more than 50 words by this same date and, if space is available, they will be published placed in the yearbook. Wills that contain inappropriate remarks, information that the yearbook adviser does not understand, or that are submitted after the deadline will not be published—no exceptions.

We appreciate all you do to help us document your student's senior year at Flint River Academy.

Sincerely,

The Yearbook Staff
