

FRA English Department Summer Reading 2018

We require students to do summer reading to help them maintain their reading skills over the summer, engage their imaginations, and provide a common learning experience for students in the opening days of school.

Additionally, the required texts for each grade are linked thematically to the courses and help students and teachers establish a conceptual framework for the school year. All assignments are due the first day of school and unless the assignment asked for charts, posters, et cetera, all submissions should be typed in Times New Roman size 12 font and double spaced.

12th Grade Supply List

It is expected that all students will have capability to access the internet and print assignments at home.

General

3-Ring binder with tab dividers for each class

College-ruled notebook paper (Dr. T's English – wide-ruled preferred)

blue or black pens

pencils

calculator acceptable for the ACT (see College Board website)

flash drive (not to be shared with another student)

3 bottles of hand sanitizer

In addition to the general supplies above, each student will need the following for specific classes.

Anatomy and Environmental Science Classes

\$25.00 lab fee* due by first day of class

Physics

\$25.00 lab fee* due by first day of class

**Please note: One lab fee per student, even if enrolled in two science classes.*

Advanced/AP Calculus
